L' esclusivo tessuto che ha una resistenza al cloro 25 volte maggiore rispetto ai normali tessuti ed un comfort e vestibilita'à maggiore rispetto ai capi realizzati in Poliestere. Adatto ad un uso frequente.

An exclusive fabric with the highest chlorine resistance towards the normal swimwear fabrics, a better comfort and a better fit towards the items made with normal Polyester. Perfect for frequent swimmers.

XTRAComfortable

Pa 82% - Ea 18%

Il nuovo tessuto con una resistenza al cloro 10 volte maggiore rispetto alla normale Lycra.
Massimo comfort e vestibilità, offre il benessere della traspirazione, rapido asciugamento e colori brillantissimi. Adatto al nuoto amatoriale.

Last fabric to chlorine water 10 times more than Lycra. Maximum comfort and fit, offers the perspiration,fast drying and very bright colours. Perfect for amateunish swimming.

Swimbra

Pensata per offrire un piacevole supporto al corpo femminile modellandolo senza comprimere. Il sostegno o il reggiseno interno favoriscono sia il nuoto che la ginnastica in acqua.

It has been designed to offer a pleasant support to the feminine body without costricting.

Caress

Pa 92% - Ea 8%

I costumi di nuova generazione che offrono una diversa concezione dello Swimwear: capi che accarezzano la pelle nell'acqua, garantendo comodità nel movimento.

New generation swimsuits that give a different swimwear concept. Suits that caress the skin in the water, assuring comfort in the movement.

CONQUEROR 3.63.5.944 Box 12 pezzi x colore

CONQUEROR è un occhialino unico indirizzato a nuotatori professionali. Offre guarnizioni in soffice TPR e lenti curvate in CP ad ampio angolo. Questo occhialino è ideale sia per il nuoto competitivo che per l'allenamento. Le lenti sono incapsulate in un telaio stilizzato PP che previene la flessibilità delle stesse ed offre un sicuro rafforzamento per gli inserti del pontenaso che sono in 3 misure. L'ampio telaio in PP offre suprema idrodinamicità ed il doppio elastico in silicone con clips di facile adattamento garantisce una confortevole e sicura portabilità ed un semplice adattamento dello stesso.

CONQUEROR is a unique Goggles targeted at the serious swimmer. Offering soft TPR gasket and wide angle curved CP lenses.This goggle is ideal for both competitive swimming and swim training. The lenses are encapsulated inside a stylish PP frame which prevents lens flex and offers a secure fixing for the nose bridge inserts which come in 3 sizes. The PP extended frame provides supreme hydrodynamics and the Silicone double strap with easy adjust back clip ensures a comfortable and secure fit and simple strap adjustment.

CP curved ANTI-FOG lenses
Lenti in CP (Proprionato di Cellulosa),garantiscono un'estrema protezione Anti-fog: la soluzione è impregnata nel materiale e non vaporizzata o in forma di pellicola.
