Early Morning Door Policies

Policies are currently under review, any changes will be advised as soon as is possible. Pending this please note:

Those on the rota for supervision should ensure they are on site for the duration of the session.
Any changes to supervision requirements are to be organised in advance and should last minute unavailability occur this **must** be advised to the coach prior to session commencement in order for cover or cancellation of session to be arranged.

PLEASE ENSURE YOU HAVE MOBILE NUMBERS FOR YOUR COACHES.

Templemore:

Swimmers will not be allowed to commence/continue session without supervision in place.

The door is to be locked at all times and will only be opened by the supervisor answering the doorbell or escorting someone out.
Parents must be there a minimum of 5 minutes before end of session and come in to collect their child.
During session it is sometimes difficult to hear the doorbell and there may be times when answering the door promptly is not possible, therefore your patience whilst waiting for access is requested.

Avoniel:

Swimmers will not be allowed to commence/continue session without supervision in place.

The door must be manned at all times whenever the sliding doors are unlocked. The facility to lock them has recently been made available, however access to the premises by Avoniel staff is required; there is no doorbell.
Therefore once all swimmers have arrived the doors may be locked and left unattended. The keys are kept behind reception and MUST be returned. There is a 'knack' to locking the exit door – manually pull the doors closed & for the lock to engage these doors should not be held tightly together when turning the key.
The doors MUST be unlocked at 6.30am and manned until Avoniel staff commences work at 7.00am.
Parents must be there a minimum of 5 minutes before end of session and come in to collect their child.
Outdoor footwear should be removed or covered by plastic covers when poolside.
No drinks or food should be consumed poolside.
A check of the area re tidiness and forgotten property should be made at the end of each session.
