REMEMBER, FOR CHILD PROTECTION PURPOSES THE SESSION MUST BE CANCELLED IF NO PARENT IS POOLSIDE								

Supervisor should note if a swimmer leaves the pool e.g. to go to the toilet and ensure they return promptly.

They should not be alone with a swimmer, instead asking for a second adult to accompany them if necessary and subject to the safety of the swimmer being paramount.

Should an incident occur they should record events in writing and submit this on or with the incident report form provided by the club.

Avoniel:

Two supervisors are needed at Avoniel door during Out of Hours usage as we are not permitted to lock the doors.
One supervisor is needed at Avoniel poolside during the duration of the session until last swimmer leaves the pool area and the other at the door until centre staff begin their working day.
Door and Poolside supervision may be shared between the 2 during the session.
Supervisors should be in attendance before session begins ideally 10 minutes before minimum.
Parents must come in to the centre to collect their swimmer prior to session finishing to ensure they are neither left unattended or on their own with a coach or supervisor.
