Personalised Club Swim Hats 2015

We are submitting our annual order for these swim hats shortly.

The cost per hat is £12. You may wish to consider ordering more than one hat as further individual or small orders may not be possible or will be more expensive. Feedback re the personalised hats last year was that they were very popular – a great gift - but sizing was a little small. This order will therefore be placed with our Club Hat supplier.

Please complete the order form below and post in the Templemore post box together with payment, or give to your coach in an envelope marked 'Hat Order'.

Cheques should be payable to 'Templemore ASC', and orders must be received on or before Friday 16th October. Production & Delivery estimate is 4 weeks.
